

**The Canadian Boiler and Machinery Underwriters Association
45th Annual Engineering Insurance Conference**

Vantage Venues

150 King Street West Toronto, ON

October 4th, 2018

Greetings AEIC Attendees:

Mark your calendars! This year's conference is scheduled for **Thursday, October 4, 2018**.

Since last year's conference, Mike Storey and Mike Butler have stepped down from our committee – we thank them for their years of service and hard work. Please welcome our newest members - Leona Au of BI&I and Rob Sparling of -30- Forensic Engineering. We are excited to have them aboard!

We have now confirmed our schedule of topics and speakers for this year's conference and have some exciting presentations lined up for this year.

Topic	Speaker
In-Situ Metallurgy & Analysis of Boilers & Pressure Vessels	Shane Turcott <i>Steel Image</i>
Tailings Dams – From Recent Lows to New Heights	Richard Stahl <i>Jensen Hughes</i>
Leadership in the Eye of the Storm: From Crisis to Recovery	Bill Tibbo <i>Bill Tibbo & Associates</i>
Let's Get Technical: Cyber Risks & Insurance Implications	Michael Guy / Eldon Sprickerhoff <i>Charles Taylor Adjusting / eSentire</i>
Corrosion in Industry	Dr. Joseph Kish <i>McMaster University</i>
Boiler and Pressure Vessels: Ontario's New Inspection Process & Regulatory Changes	Panel Discussion <i>TSSA & Ministry of Government & Consumer Services</i>

The conference will be held on the **16th floor of Vantage Venues (formerly St. Andrew's Club)**. Conference registration opens on **August 13th**. It will be completed online using this link: [Conference](#). Tickets will be \$250 plus handling fee. Please remember seating for the event is limited so plan to register early.

We look forward to seeing you at the conference.

Yours truly,
Amanda Sorsak
Chair
